INTRODUCTION OF GUEST

The SDP Convention marked by significant political presence, Alhaji Mohammed Ibrahim Bar, the Deputy National Secretary of the Social Democratic Party (SDP), formally acknowledged a host of prominent figures. The introduction apprehended the party's organizational structure and the importance of key individuals within the SDP.

WELCOME ADDRESS BY THE SDP NATIONAL CHAIRMAN (Alhaji Shahn Musa Gabum).

Distinguished delegates, members of the National Executive Committee, members of the National Working Committee, Independent National Electoral Commission (INEC) officials, leaders from across Nigeria, members of the diplomatic community, election observers and monitors, security agencies, members of the

press, and millions of Nigerians watching with hope across our nation and beyond; today is not merely a convention, today is a testimony. A testimony that institutions still matter. A testimony that truth may be delayed, but can never be defeated. A testimony that when men and women choose principle over personal ambition, law over lawlessness and unity over division, democracy survives.

I welcome you all to the 2026 National Convention of our great Social Democratic Party with profound gratitude, reward strength, and unwavering faith in our collective destiny. We gather here at a defining moment in the history of our party, a moment born for trials, tested by turbulence, and purified through struggle. The storms came. The disagreements came. The attempts to divide and destabilize our party came. Yet through it all, the Social Democratic Party stood firm. Because political parties built on personalities eventually collapse, but political parties built on principles endure.

Today, we acknowledge with deep appreciation the restoration of stable and lawful leadership within our party. This development transcends administrative recognition. It represents a decisive affirmation of constitutional order, institutional integrity, internal democracy, and unwavering respect for due process. It is often said that the judiciary remains the last hope of the common man. Today, standing before this distinguished gathering, I declare without hesitation that within the Social Democratic Party, the judiciary has also proven to be the last hope of democracy itself.

The courage demonstrated through lawful adjudication reinforces an enduring truth: no individual is greater than the constitution, and no ambition is more important than the survival of democratic institutions. We therefore extend our deepest appreciation to the Nigerian judiciary for its courage, independence, and fidelity to the rule of law. We equally commend the Independent National Electoral Commission for its prompt

compliance with subverting judicial pronouncements, thereby strengthening public confidence in Nigeria's democratic processes and institutions. History will remember those who stood with legality when expediency seemed easier and those who defended justice when compromise appeared convenient.

To our members nationwide, from the grassroots to the national level, from ward executive to state chapters, from youths to women leaders, from mobilizers to stakeholders, I say thank you. Thank you for your resilience. Thank you for your discipline. Thank you for believing in SDP even when uncertainty surrounded us. Your steadfastness preserved not only this party but also its soul. Many remained loyal when loyalty was costly. Many defended truth when silence was convenient. Many endured intimidation, misinformation, and needless attacks. Today, your sacrifices are vindicated.

To those who sought to weaken this party through propaganda, misinformation, and false narratives, we bear no bitterness. Leadership demands focus beyond distractions. We remain committed to our historic assignment of building the Social Democratic Party into the foremost platform for national renewal, social justice, equitable governance, and democratic progress. A great political party is not defined by the absence of crises; rather, it is defined by its ability to survive crises, emerge stronger, and transform pain into purpose. SDP has gone through the fire and like refined steel, we have emerged stronger, wiser, and more united.

Permit me also to sincerely appreciate our distinguished invitees, members of the diplomatic corps, election observers and monitors, security personnel, development partners, members of the media, and all guests who have honoured this Convention with their presence. Your participation reinforces our collective commitment to democracy and accountable governance.

As you return to your various destinations, I pray for journey mercies and safety upon each and every one of you. May the bonds strengthened here today continue to unite us in purpose and in service to our nation. Together, we shall strengthen democracy. Together, we shall build a stronger Social Democratic Party. Together, we shall build a better Federal Republic of Nigeria.

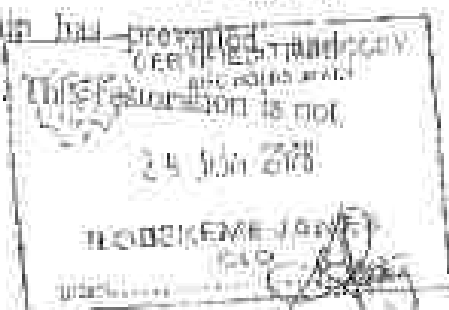

May Almighty God bless you all. May God bless the Social Democratic Party. And may God bless the Federal Republic of Nigeria.

Thank you

REPORT OF STATE OF AFFAIRS OF THE SOCIAL DEMOCRATIC PARTY BY the Deputy National Secretary, Alhaji Muhammad Ibrahim Biu.

Alhaji Muhammad Biu, the Deputy National Secretary of SDP started by acknowledging distinguished delegates, esteemed members of the National Executive Committee, members of the National Working Committee, respected stakeholders, invited guests, and loyal faithful of our great party. Today is not merely another fathering of party members. It is a moment of reflection, renewal, and reaffirmation. Every great institution is tested, every enduring movement passes through storms before emerging stronger. The Social Democratic Party has faced such a season, a defining struggle for its identity, constitutional order, and collective future. Yet, through resilience, adherence to due process, and the unwavering commitment of loyal members, our party stands united, lawful, and stronger than before.

I am honored, on this historic occasion, to present the Report on the state of Affairs of the Social Democratic Party. Today, we can proudly affirm that the foundations of stability have been restored, constitutional leadership has prevailed, and confidence in our structures continues to grow nationwide. This restoration is not

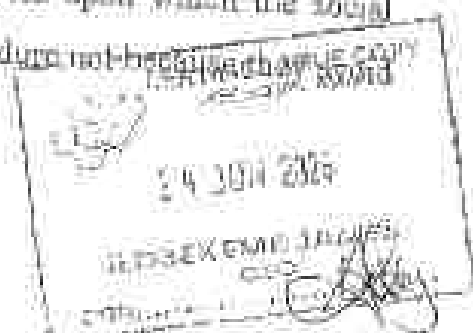

merely symbolic; it is evidenced by our successful completion of Ward Congresses, Local Government Congresses, and State Congresses across the federation, conducted in accordance with the Constitution of our Party and applicable electoral regulations.

These congresses have produced a renewed and legitimate grassroots structure, positioning the Social Democratic Party for greater participation and competitiveness in Nigeria's democratic process. We therefore express profound appreciation to the Independent National Electoral Commission and the Nigeria Police Force for their cooperation, support, and commitment toward ensuring peaceful and orderly conduct throughout these exercises.

Distinguished delegates, the journey ahead demands even greater commitment. In accordance with the Constitution of our party and the electoral act 2026 as amended, Social Democratic Party shall proceed with the conduct of primary elections to nominate candidates for elective offices, including the state House of Assembly, House of Representatives, Senate, Governorships, and the Office of the President of the Federal Republic of Nigeria. These primaries shall be conducted transparently, democratically, and in strict compliance with all legal and constitutional requirements binding on our great party.

This process represents more than candidate selection; it represents our collective determination to offer Nigerians credible leadership, accountable governance, and a renewed democratic vision.

To every party faithful, I urge you to remain steadfast. Continue to be devoted in the ideals of justice, inclusion, equity, and national progress upon which the Social Democratic Party was founded. Political movements endure not because they are easy.

crises. But because their members choose unity over division and purpose over personal interest.

Long live the social Democratic Party

Long live Democracy

Long live Federal Republic of Nigeria

Presented at the instance of the Executive National Chairman.

WRITTEN ADDRESS IN SUPPORT OF THE
ORIGINATING SUMMONS

1.0 INTRODUCTION:

1.1 This Written Address is filed in support of the Plaintiffs' Originating Summons seeking the determination of the following questions:

- i. **Whether having regard to the provision of sections 29, 31 and 33 of the Electoral Act 2026, Regulations and Guidelines for Political Parties, 2026 issued by the Defendant, the Defendant can lawfully publish the name and personal particulars of any other person other than the name and personal particulars of the 1st Plaintiff that was duly submitted to the Defendant by the 2nd Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.**

- ii. **Whether having regard to the Provision of Sections 29, 32(1), 84 and 86 of the Electoral Act 2026, Regulations and Guidelines for Political Parties, 2026 issued by the Defendant, the Defendant is not statutorily prohibited from recognizing and publishing the name and personal particulars of any other person who did not emerge from a valid Primary Election conducted by the 2nd Plaintiff in accordance with the law as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.**
- iii. **Whether having regard to the circumstances of this case, including the valid Nomination and Submission of the name and personal particulars of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.**

1.2 The Plaintiffs seeks the following reliefs against the Defendant:

A declaration that it is unlawful, illegal, unconstitutional, null and void for the defendant to recognize and publish the name and personal particulars of any other person other than the name and personal particulars of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections

A declaration that the defendant is bound to recognize and publish the name and personal particulars of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.

An order of this Honorable court directing the Defendant to recognize and publish the name and personal particulars of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.

An order of this honorable court directing the Defendant not to further recognize, accept and publish the name of any other person other than the

name and personal particulars of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.

An order of this honorable court directing the Defendant to set aside the purported publication of the name and personal particulars of any other person other than the name and personal particulars of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.

An order of this honorable court restraining the Defendant from placing on the ballot the name of any person other than the name of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.

And for such further order(s) that this Honourable Court may deem fit to make in the circumstances of this case.

2.0 STATEMENT OF FACTS:

My Lord, we crave the indulgence of this Honourable Court to adopt the depositions contained in the Affidavit in support of the Originating Summons as the Plaintiffs' Statement of facts in this case.

3.0 ISSUES FOR DETERMINATION:

The Plaintiffs respectfully adopts the questions crafted in the Originating Summons for the determination of this Honourable Court as their issues for determination to wit:

1. **Whether having regard to the provision of sections 29, 31 and 33 of the Electoral Act 2026, Regulations and Guidelines for Political Parties, 2026 issued by the Defendant, the Defendant can lawfully publish the name and personal particulars of any other person other than the name and**

personal particulars of the 1st Plaintiff that was duly submitted to the Defendant by the 2nd Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.

- ii. Whether having regard to the Provision of Sections 29, 32(1), 84 and 86 of the Electoral Act 2026, Regulations and Guidelines for Political Parties, 2026 issued by the Defendant, the Defendant is not statutorily prohibited from recognizing and publishing the name and personal particulars of any other person who did not emerge from a valid Primary Election conducted by the 2nd Plaintiff in accordance with the law as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.
- iii. Whether having regard to the circumstances of this case, including the valid Nomination and Submission of the name and personal particulars of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.

4.0 LEGAL ARGUMENT:

We urge your lordship to argue the 3 issues for determination together.

4.1 My Lord, the Defendant published name and personal particulars of a purported candidate of the 2nd Plaintiff on the 29th August, 2026 who did not obtain Expression of Interest and Nomination Forms of the 2nd Plaintiff, he was never screened, cleared nor even nominated by the 2nd Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections.

4.2 We submit with respect that the name published by the Defendant is not an aspirant or nominated candidates of the 2nd Plaintiff and therefore he did not attain the legal status of an aspirant/candidate to qualify to contest for an election under the platform of the 2nd Plaintiff. See the Supreme Court

case of Fayemi Tosin Babatunde v. INEC & 4 Ors (unreported) SC/CV/229/2026 and Osoh v. APC (2023) 10 NWLR (Pt. 1891) 51.

4.3 We further submit with the greatest respect that once a political party has submitted the name of its candidate to INEC in accordance with the INEC's Timetable and Schedule of Activities, INEC is duty bound to publish the name and personal particulars so submitted by the political party as the recognize candidate of that political party. **Section 29 of the Electoral Act, 2026** provides that:

1. " Every political party shall, not later than 120 days before the date appointed for general election under this Act, submit to the Commission, in the prescribe Forms, the list of the candidates the party proposes to sponsor at the elections, who shall have emerged from valid primaries conducted by the political parties.

2. The list or information submitted by each candidate shall be accompanied by an affidavit sworn to by the candidate at the Federal High Court, High Court of a State, or Federal Capital Territory, indicating that he or she has fulfilled all the constitutional requirements for election into that office.

3. The Commission shall, within 21 days of the receipt of the personal particulars of the candidate, publish same in the constituency where the candidate intends to contest the election".

4.2 Section 33 of the Electoral Act 2026 provides that:

"A political party shall not be allowed to change or substitute its candidate whose name has been submitted under Section 29 of this Act, except in the case of death or withdrawal by the candidate".

- 4.3 My Lord, the operative word "shall" as used in the above section is mandatory and cannot be waived.
- 4.4 My Lord, the 2nd Plaintiff's duly nominated candidate that was submitted to the Defendant as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections is not dead and he has not withdrawn his ambition. The publication of the name of a stranger who did not emerge from the validly conducted primary election of the 2nd Plaintiff is therefore unlawful, illegal, null, void and of no legal effect whatsoever.
- 4.5 This position is firmly supported by a long line of authorities. In **AMAECHI v. INEC (2008) 5 NWLR (PT. 1080) 227**, the Supreme Court emphatically held that a political party cannot whimsically substitute a candidate after submission to INEC without cogent and verifiable reasons, and the Court can intervene to protect the validly nominated candidate.
- 4.6 Also, in the case of **UGWU v. ARARUME (2007) 12 NWLR (PT. 1048) 367**, the Supreme Court struck down an illegal substitution, affirming that the process must comply strictly with the Electoral Act.
- 4.7 Our Courts have consistently held that after a valid nomination and submission of names of candidates who emerge from a valid primary election conducted by political parties and monitored by INEC, the law is that INEC is bound to recognize only the names of submitted candidates who emerged from a valid primary election unless the statutory exceptions apply. See the cases of **PEOPLES DEMOCRATIC PARTY v. ENGR JOHN IBRAHIM UCHE & ORS (2023) LPCLR-59604(SC); GEORGE GABRIEL CHIADIKAOBI v.**

**INDEPENDENT NIGERIA ELECTORAL COMMISSION & ORS.
(2023) LPELR-59677(CA); LABOUR PARTY & ORS v. EZE OKO
& ANOR (2022) LPELR-58649(CA).**

- 4.8 Consequently, the publication of the name and personal particulars of any other person other than the name and personal particulars of the 1st Plaintiff as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General Elections that was duly submitted to the Defendant is a clear violation of section 29 (3) of the Electoral Act 2026, Regulations and Guidelines for Political Parties, 2026 and the Constitution of the Federal Republic of Nigeria 1999 (as amended). The 1st Plaintiff's name having been duly submitted to and uploaded by the Defendant, the Defendant cannot publish any other name and personal particulars apart from the name and personal particulars of the 1st Plaintiff without justification and compliance with the provisions of the Electoral Act.
- 4.9 We further submit that in the circumstances, the Defendant is statutorily prohibited from accepting, recognizing and publishing the name of any other person who did not emerge from a valid primary election as expressly provided in Section 29(1) of the Electoral Act 2026 except that of 1st Plaintiff.
- 4.10 Therefore, the Defendant's role at this stage is to ensure compliance with the law regarding publication of names of candidates that were validly nominated by political parties and not allowing an unqualified candidates to undermines the entire electoral process and the principle of internal democracy.

- 4.11 The Supreme Court as far back as in **Odedo v. INEC (2008) LPELR-2204(SC)** and subsequent cases has firmly upheld the sanctity of validly conducted primaries and published nominations.
- 4.12 My Lord, where a political party has exercised a right conferred by the Electoral Act and submitted name of a candidate that emerge from a validly conducted Primary Election duly monitored by INEC in accordance with the statutory requirements, INEC cannot refused compliance merely by relying on administrative arrangement inconsistent with the provision of the Electoral Act most especially where INEC received the name of the candidate from the competence organ of the party but has refused to recognize or publish the name of the candidate. See **APM v. INEC & Ors (2023) 9 NWLR (Pt.1890) 419**; **INEC v. NNPP (2023) 12 NWLR (Pt.) 1891** and **Kolawole v. INEC & Anor (2022) (unreported) CA/ABJ/1000/2022**. INEC's role is not to substitute its own choice for that of a political party in relation to the party's candidate. The Electoral Act places the responsibility for nomination/sponsoring candidates upon the political party, while INEC performs the statutory electoral functions assigned to it by section 29 (3) of the Electoral Act, 2026 by publishing the name and personal particulars of the nominated candidate so submitted by the political party.
- 4.13 It is further submitted that by the provision of the Electoral Act, 2026, the Defendant has no discretion on publication of the name of any other person other than the name of the 1st Plaintiff as the validly nominated candidate of the 2nd Plaintiff who emerged winner as the Governorship Candidate of the Social Democratic Party in Benue State for the 2027 General

Elections. Assuming without conceding that the 1st Plaintiff voluntarily relinquishes his candidature, the law prescribed the mood of substituting the candidature of a person whose name was duly submitted to INEC where the Supreme Court in Uzodinma V. Izunaso (No 2) [2011] 17 NWLR (Pt. 1275) 30 at 60 paras B-E held that:

"The only instance where the name of a candidate other than the candidate that won the Primary Election will be forwarded to Independent National Electoral Commission (INEC) is where the candidate that won the election withdraw his candidature by notice in writing signed by him and delivered by himself to the Political Party that nominated him for the election, or where he dies before his name is submitted to INEC or after the name has been submitted and before the elections." See Olugbemi V. Lawrence (2017) 16 NWLR (Pt. 1591) 209 at 247 paras C – E per Galiye J.S.C

4.14 We therefore respectfully submit that the Plaintiffs have placed sufficient, credible, and uncontradicted evidence before the Court via the affidavit and exhibits thereto. These facts establish a clear right to the declarations and orders sought by the Plaintiffs.

4.15 It is now trite law that declaratory reliefs are granted upon proof on the balance of probabilities, which the Plaintiffs have discharged. The reliefs sought is in the circumstances necessary to prevent irreparable harm, given the limited electoral timelines and the imminent threat of irreversible action by the Defendant.

4.16 We therefore make bold to state that the balance of convenience tilts heavily in favour of the Plaintiffs, who stands to lose their validly

nominated candidates through no fault of their own, while the Defendant suffers no prejudice in being compelled to obey the law.

4.17 CONCLUSION:

4.18 We most humbly submit that the Plaintiffs has made out a clear case in their favour warranting the urgent intervention of this Honourable Court. This Honourable Court is thus urged to answer the questions in the Plaintiffs' favour and grant all the reliefs sought in the Originating Summons.

4.19 May it so please your Lordship.
